REMEMBER TO SEND DRIVE UPDATE INFO TO ERIK FOR THE WEBSITE, SKIP FOR FACEBOOK, AND BRIAN FOR THE NEWSLETTER!!

June 21-29 – Great Western Skies – Skip Hammerman

- Recap-9 cars, 13 people, 2,600 miles. Everything went well.

- Decals were helpful because people saw that the 9 cars were a group so they let us through intersections and such which kept the group together.
- WhatsApp group- This application was useful for communication on a multi-day drive but not useful for a 1 or 2 day drive.
- Waiver question-The question came up as to if one or two cars go off on their own for whatever reason. A call with PCA indicated that as soon as a car deviates from the group, they are technically not with the group and therefore would need to resign the waiver, possibly each day.

July 11 – Drive Up to Road America – Daryl Metzger

- Recap-Jeff David gave an update that it was a good event.

July 13-14 – Omaha Cars & Coffee – Roy Johnson & Bill Frank

- Recap-Bryan said it was a great event and well received. He said we should consider inviting the Great Plains Porsche group over for an event such as Concours or the opening of the new Iowa Woodhouse store.

July 25-28 – Red Wing, MN – Jeff David & Daryl Metzger

- Recap-Jeff indicated that everything went well. He said that the food was outstanding. The weather was excellent. Jeff indicated that maybe the hotel is getting a little tired and Red Wing might need to get rethought. There were 9 or 10 cars which made it more manageable. A relocation might be in Stillwater.

Aug. 29-Sept. 2 – Eureka Springs – Garry Seemann & Skip Hammerman.

- Motorsportreg is live.
- 14 cars registered as of 7/28/2024.
- Route will be the same as last year. Skip indicated that Highway 25 is under major construction so a reroute was necessary. He found a new restaurant necessary for the reroute and is incorporating it into RidewithGPS. He also indicated that the Joplin hotel is not in the Marriott system but that is a minor change.

Sept. 14 – MA Hill Drive – Jen Scharff

- Motorsportreg is live.
- 9 cars registered as of 7/28/2024.
- Requested subsidy.
- Still need to work on route and request insurance.

Oct. 3-5 – Wisconsin Re-Imagined – Skip Hammerman & Garry Seemann.
